

# Immunisation Catch-up Calculator

**A working prototype**

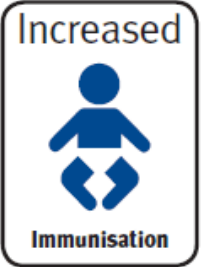

**Jillian Boniface (RN) & Dr Leanne Liggett (PhD)**

**Immunisation Conference,**

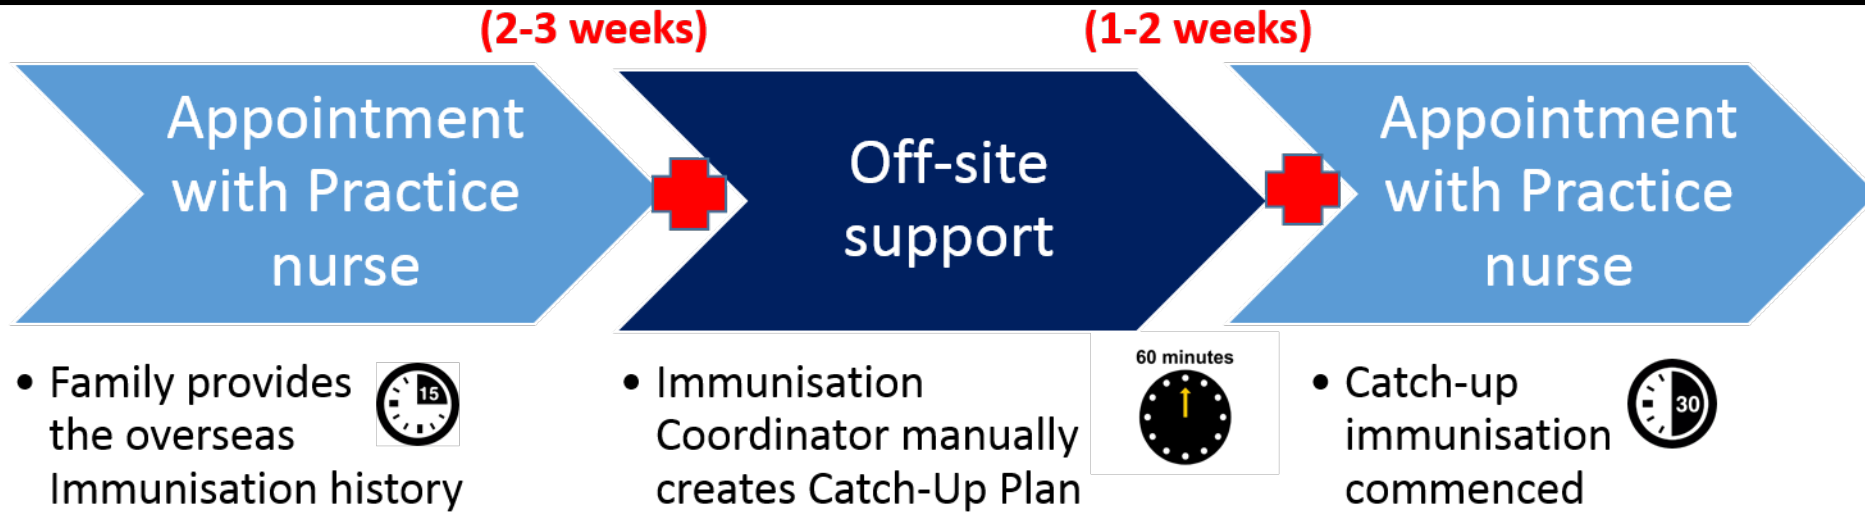

**6 September 2019**

**Contact: [jillian.boniface@southerndhb.govt.nz](mailto:jillian.boniface@southerndhb.govt.nz)**

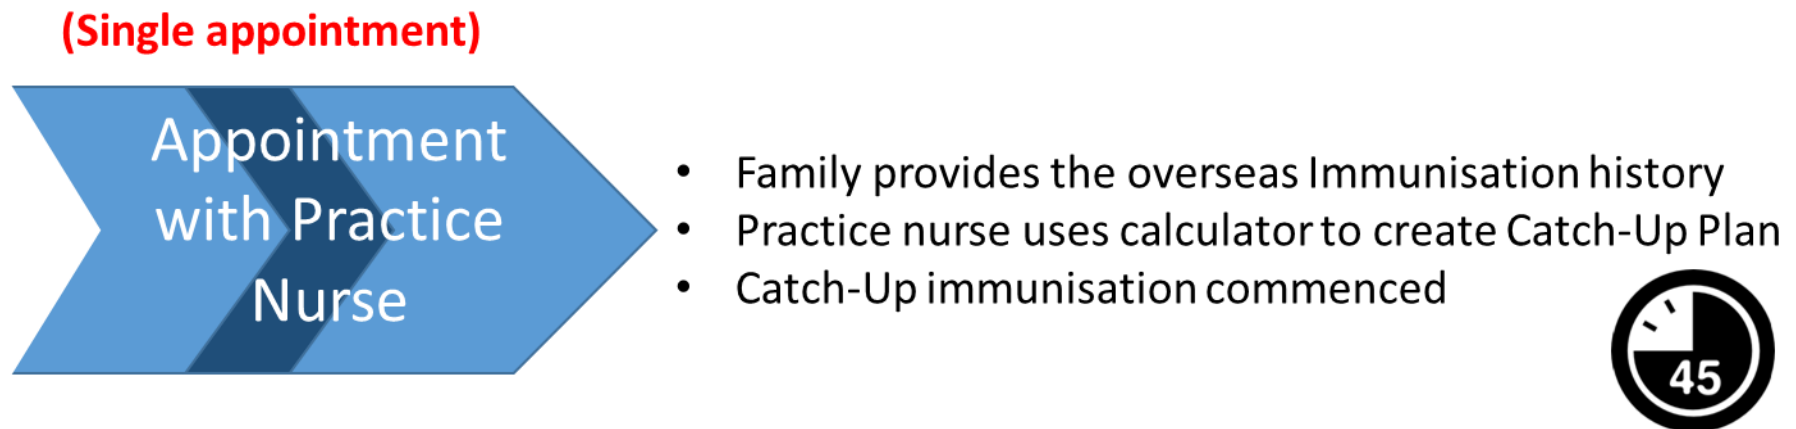

# Clinicians Challenge: Pathway

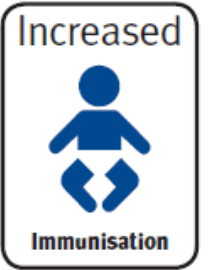

**CURRENT**

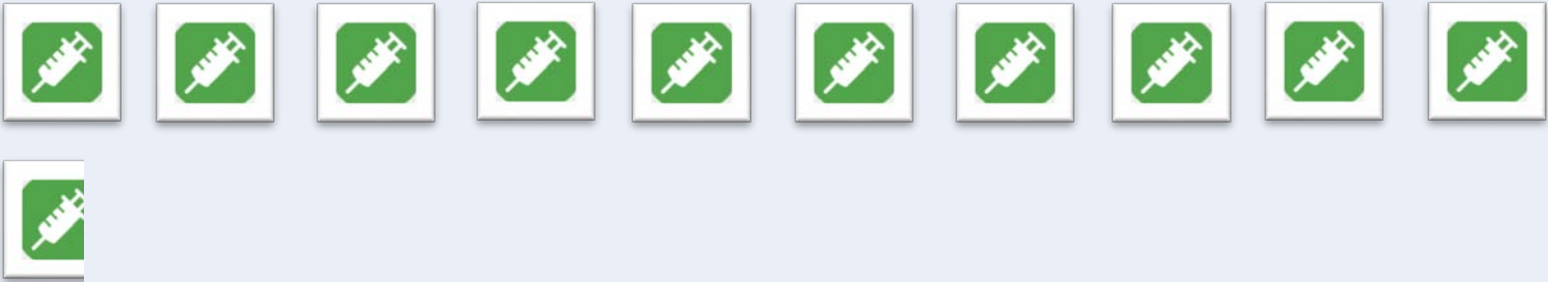

**PROPOSED**

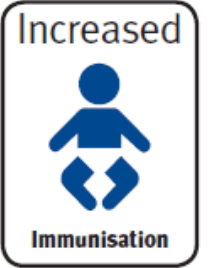

# Scope of the problem

## Number of catch-up plans in 2017/18 (per 1000)

<b>Southern DHB</b>		<b>750</b>
<b>Projected NZ numbers</b>		<b>10,700</b>

**Note:** Southern DHB makes up 7% of the NZ population (2013 Census) and projected NZ numbers are based on the SDHB experience

# Acknowledgements

The IT Ringmaster: Kyle Forde (Chief Information Officer, WellSouth)

The Designers: The Logic Studio Ltd in Dunedin (engaged by Karo Data management)

Southern DHB enabler: Mike Collins (Executive Director - People Culture & Technology)

Health supporters: (Ministry & IMAC)

Original concept: Dr Naomi Gough
