

Upper Hutt HPV Initiative

Extension of HPV eligibility to males.

“Alone we can do so little
Together we can do so much” Helen Keller

Presenters: Karis Harland, Cathy Lindsay and Liz Grinlinton

Demographics

- Population of 42,100 – June 2016
- Situated 30kms north of Wellington
- 4 General Practices
- 2 Co-Educational Colleges
- 1 State Integrated Boys Catholic College – includes boarders
- 1 Integrated Boys College – year 7-13

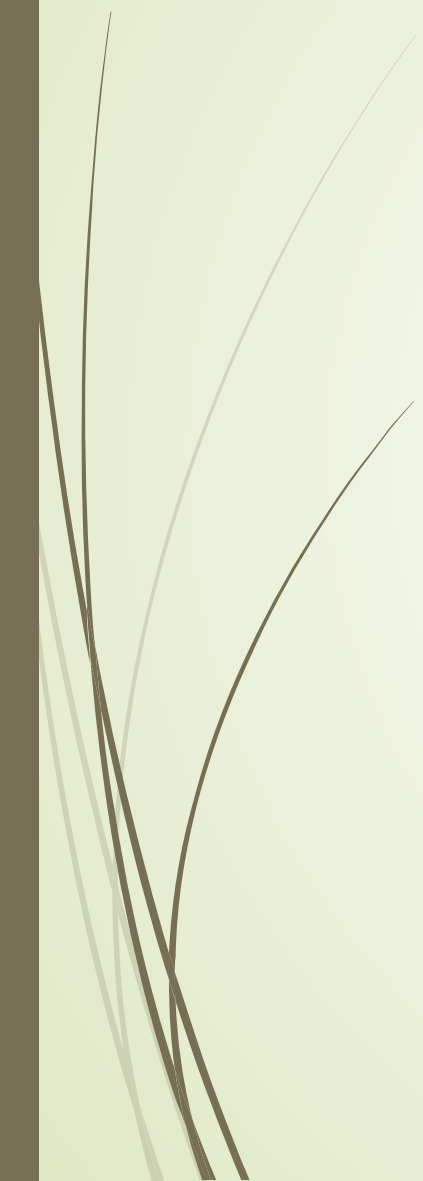

An idea was born

- A impromptu 5 minute brain storming session
- Is this possible?
 - Discussions with Liz
- Communications with colleges
 - Are they interested?
 - Answer: YES

Practice Meetings

- Proposal was presented to the other Practices
 - Agreed a great idea
 - Had to sell/convince their managers
 - PHO were supportive and commending
- 

Ready

- Request and approval of HPV 9 from Pharmac
- Equipment
- Policy and Process
 - prepared by Cathy & Liz
- Consent forms –
 - paid for by PHO and Sequaris
 - huge financial help
- Staff numbers required per college and what roles for the clinics

Steady

- Dates set
- Community Meeting
- Education sessions provided in schools
- Consent forms printed, distributed and collected
- Getting the message out

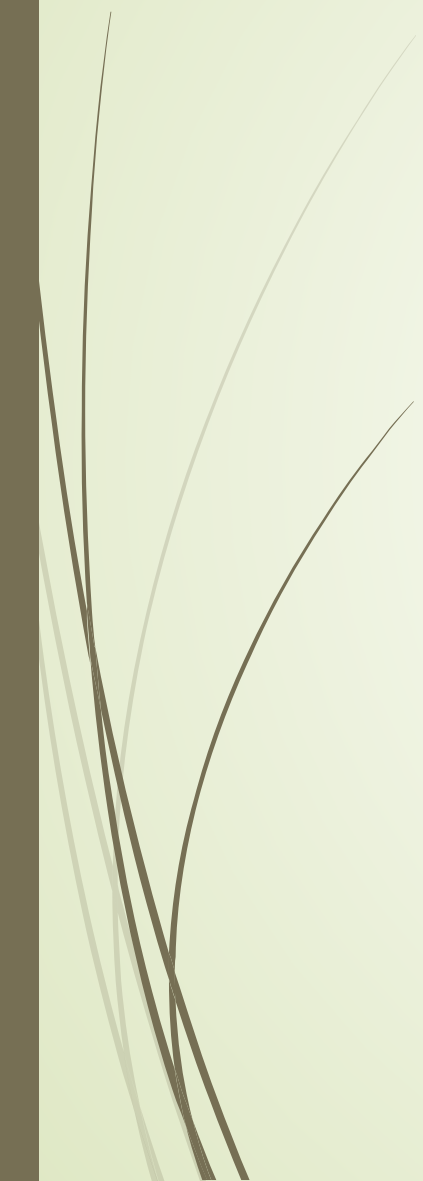

Go

- All systems go
- First Clinic held
- Mixed emotions?
- Consent forms and claiming of immunisations
- Clinic Roles

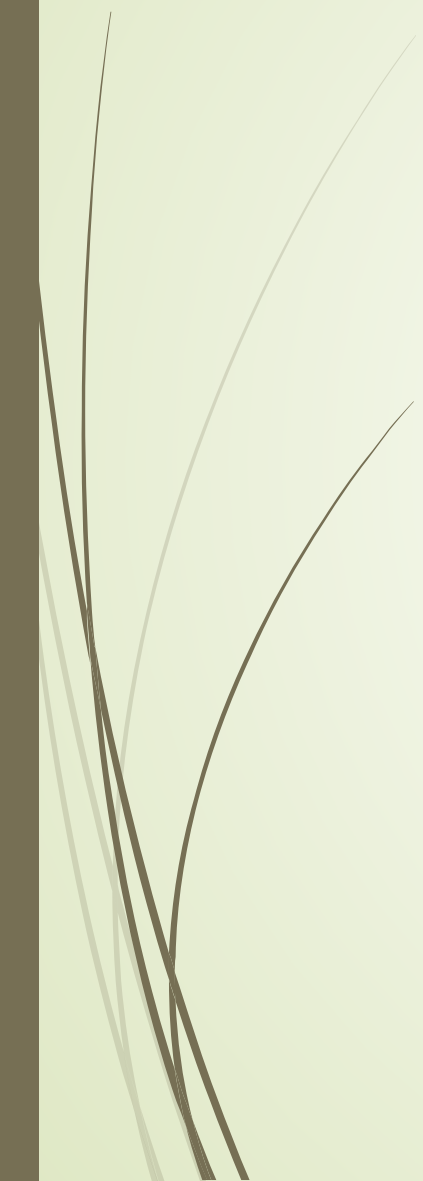

What we learnt

- Key driver of the project
 - Buy in from practices, colleges and community
 - Working together achieves results
 - Added benefits to our patient population
 - Raised awareness of the HPV vaccine
 - Enhanced relationships between the general practices
 - How colleges communicate
- 

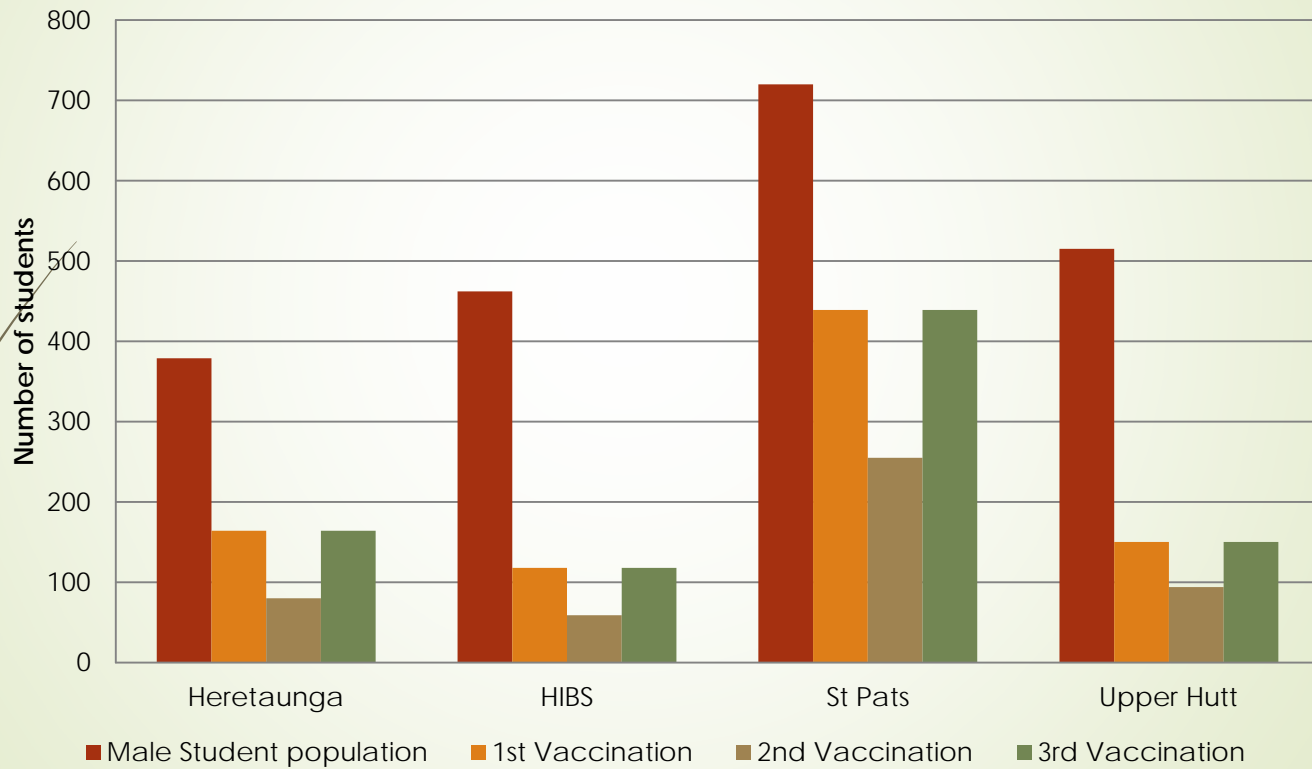

Benefits to Practices

- Appointment times
 - Recalls and administration costs
 - Collegial
 - Experience
 - Relationships with colleges and community
- 

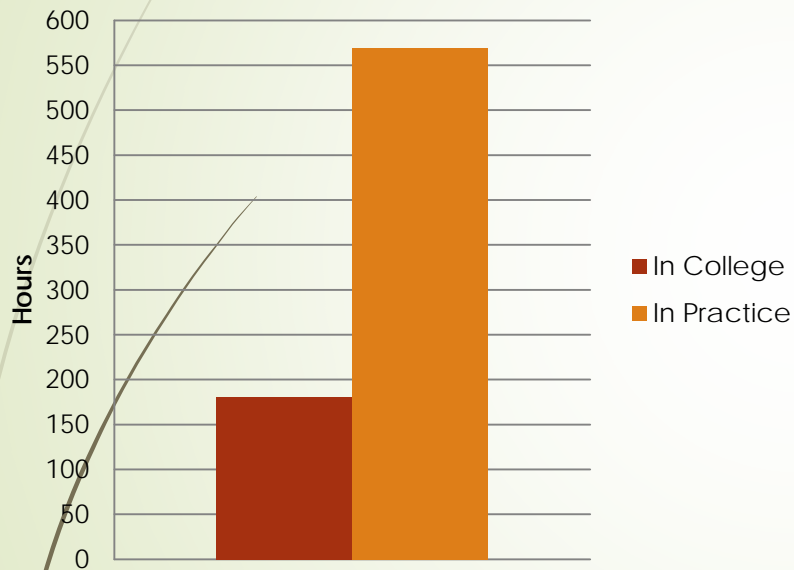

Graphs

HPV Vaccinations for Males by College

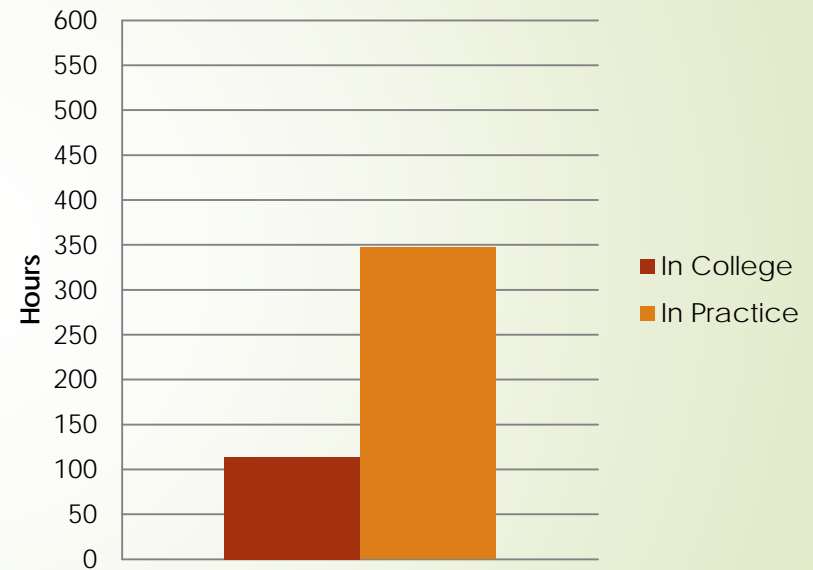

Hours in college vs hours in practice

Total hours to deliver HPV

Hours for Round 1 & 2
